President's Message . . .

I would like to start by wishing everyone and their family a Happy & Healthy New Year.

Since our last newsletter, the 100th Anniversary of Brotherhood Reunion (October 15, 2017) is really progressing. Our Reunion Co-Chairpersons (Jerry Segal and Stuart Discount) have been working with a web designer for a 100th Reunion website, working with the area coordinators, finding the whereabouts of missing alumni and numerous other details related to the Reunion.

I have the pleasure of being president of the Alumni Association while many great activities are happening and others are being planned. In the last few years some chapters have had Chapter Reunions. It is amazing to see the bond of Brotherhood shown at these Reunions by brothers many of whom had not seen each other in 20 to 45 years. Several brothers fly in from out of town to attend these Reunions. The impact that Sigma Alpha Rho had on so many of our lives is a testament to the brotherhood and fraternalism that we experienced with our brothers back in High School. Most other youth organizations can only

dream and wish that their organization could have such an impact on their members' lives and memories so many years later.

We are in the process of developing an Alumni website. The address is <http://www.saralumni.com>. The site is in the beginning stages and will be fine tuned and updated. Additionally Sigma Alpha Rho can be found on Face book and LinkedIn. There is an article in this newsletter with more information on the above.

If anyone would like to get involved in the Alumni Association please contact me. My email is sg196@aol.com. We are always looking for more Alumni to get involved.

In closing, I would like to ask a favor of you. As the cost of printing and postage continues to rise we are going to rely more on email blasts. Please send us your email address. You can use the attached dues sheet to send us this information.

Fraternally,

Steve

Brother Steve Greenberg
Alumni Association President

100th ANNIVERSARY UPDATE

We are pleased to announce the creation of a new website dedicated 100% to Sigma Alpha Rho's 100th Reunion. At www.sar100.com you will be able to find out everything you need to know about the fantastic weekend being planned.

The website will provide details of the events, sponsorship opportunities, how you can help, online registration and hotel accommodations. News and announcements will be posted on the site periodically.

The most important part of the website for now is the MIA section. By clicking on the MIA tab you will be able to see those Brothers who we do not have contact information for. Every Alumnus can help by providing the committee with any information you may have on the missing. Let us know where they may live, email address, phone number, etc. To find the missing we are using several options once we have some information to go on.

Brothers will be coming from all over the country to be together at the Sunday morning breakfast on October 15, 2017. Other activities are also being planned for the weekend. The breakfast will be at the Philadelphia Marriott in Center

City, Philadelphia. This will be once in a lifetime event.

Brother Ric Edelman (Beta Tau, '73), the event "Benefactor" has committed to a contribution of a maximum of \$100,000 a challenge to make this event one that every brother in attendance will remember for the rest of their lives. As part of the contribution, for every dollar raised through "Sponsorships" (for Scholarships) he will donate \$5.00 to subsidize the Reunion event. Please go to our website www.sar100.com to take a look at the sponsorship opportunities and help meet this challenge.

There is still time for you to volunteer and join our committee. Most of the effort needed is to find missing Brothers and then invite them to the event. If you want to help you can go to the new website and reply or contact Jerry Segal or Stuart Discount.

Check back periodically to the website for updates and announcements.

Fraternally,

Co-Chairmen

Bro. Jerry Segal

BALTIMORE BREAKFAST

On Sunday December 6, Brother Phillip R. Fink "Kept the Lights Burning" and organized a Reunion Breakfast. The event was held at the Suburban House Restaurant, Baltimore Beltway I-695, Exit 20. Brothers from the Theta Epsilon chapter met for the annual breakfast. Brother Fred Ratner from the Alumni Association Board also attended the breakfast. A great time was had by all.

This marked the 69th annual breakfast since being organized by Past SER Nates Strauss. We hope to keep this going, maybe even twice a year, just to keep some contact with everyone. Proceeds from this event were given to the Rathblott Scholarship Fund.

ALUMNI ASSOCIATION GRANTED NON PROFIT STATUS

The Sigma Alpha Rho Alumni Association, Inc. had applied to the Internal Revenue Service for Non Profit Status. After many documents were completed and by laws of the Organization submitted, on October 8, 2015 the Internal Revenue Service approved our application and granted the Alumni Association Non Profit status under Internal Revenue Code section 501 (c) (3).

This process had taken many months from when we had started filling out forms to the final determination. The Alumni Association is also registered as a corporation in the State of New Jersey.

We would like to thank Alumni Association Board members Carl Bagell and Henry Doner for their diligent work on this project.

**Expert, Experienced and Caring Counsel***Compliments of***Alan Lieberman ('64)***Past Sigma Rho**Omega Chapter***DELTA THETA REUNION**

On Friday July 31 through Sunday August 2, approximately 35 brothers and their significant others from the Delta Theta chapter (Levittown, PA and later Bensalem, PA) met to reminisce about the great times that they had in Sigma Alpha Rho. The brothers attending were inducted from 1959 to 1974. Brothers had traveled from Florida, Arizona, New Mexico and other areas to attend.

This wonderful weekend was planned by brothers Gary Katz, Roger Wagman, Rick Fisher, Scott Davis and Rick Willens. Everyone was very grateful for the work these brothers did in tracking down the brothers from Delta Theta. Also in attendance was Brother Barry Godofsky from the Theta Theta (New Orleans) chapter. Some of the brothers had stayed at Barry's house during a Theta Theta conclave and were able to reconnect via face book and the internet. It turned out that Barry and Gary Katz live minutes away from each other in Florida and have reconnected their friendship from their SAR days.

The meeting place was the Wyndham Hotel in downtown (Olde City) Philadelphia where many of the brothers had stayed for the weekend. On Friday evening there was a meet and greet in the lobby and many of the brothers went to dinner together.

On Saturday there was a breakfast and dinner. During the breakfast old pictures from their chapter and the fraternity were shown on a large screen during breakfast. Past and Current Alumni Association Presidents Stuart Discount and Steve Greenberg were invited and asked to speak about the Alumni Association and the upcoming 100th Anniversary Reunion of Sigma Alpha Rho. At the breakfast all brothers spoke for a minute or two about their experience in SAR. A few of the significant others were very interested in some of the brothers' experiences and their stories of when they were pledges. They pushed for more details on some of the stories. The one sad note of the breakfast was when a moment of silence was observed for the 15 brothers from their chapter that had passed away. After the breakfast there was a tour of the American Jewish National Museum. After the tour and a brief rest, there was a dinner at Spasso Restaurant in Olde City. This restaurant faced the Delaware River and while dinner was served, some of the tables could see a fireworks display being set off a barge in the river.

On Sunday the group ventured down to Citizens Bank Park to watch the Phillies play the Braves.

A great time was had by all that had attended. It was no surprise that all of the brothers were talking about and looking forward to the upcoming 100th Anniversary Reunion of Sigma Alpha Rho.
